Dear Friend,

We are pleased to share with you Positive Resource Center's annual report for 2014. We remain steadfastly committed to ensuring that each one of our clients has access to the financial resources and healthcare coverage they need through disability benefits and/or employment. As you will see in our annual report, we ended 2014 in a strong financial position for the fourth year in a row. This continued stability allows us to focus on improving operations and expanding our programs, greatly enhancing our client services.

From all of us at Positive Resource Center, thank you for your continued support!

Joe Tuohy
Acting Executive Director

Positive Resource Center's 2014 Annual Report

Thank you to all of our donors and supporters for making 2014 a banner year. Together, our dedicated Employment Services and Benefits Counseling staff continue to achieve excellent outcomes that have measurable impacts on our clients' lives, helping many transition from homelessness to stable housing, from being without regular medical care to receiving routine healthcare and HIV medications, and from joblessness to gainful employment.

CARF Certification

Positive Resource Center has received its third consecutive three-year CARF certification by the Commission on Accreditation of Rehabilitation Facilities in the fields of 'Community Employment Services: Job Development' and 'Employment Skills Training Services.'

In addition to this outstanding recognition, it was noted by CARF International that the CARF surveyors made no recommendations for changes to our Employment Services Program, an extraordinary accomplishment that only 3% of service providers receive nationwide.

CARF International is an independent, nonprofit accreditor of health and human services.

Through accreditation, CARF assists service providers in improving the quality of their services, demonstrating value, and meeting internationally recognized organizational and program standards.

The Bare Chest Calendar began in 1984, and since then 12 men have taken on the challenge each year to raise money that truly makes a difference for people living with HIV/AIDS. All proceeds benefit Positive Resource Center and AIDS Emergency Fund.

Positive Resource Center (PRC) is a community-based 501(c)(3) non-profit whose mission is to assist people affected by or at risk of HIV/AIDS through culturally appropriate counseling, education, training and advocacy. As a result, our clients can make more informed choices that maximize available benefits and employment opportunities.
