Dear Friend,

I am excited to share with you PRC's first annual report for our innovative and accomplished new program, the Equal Access to Healthcare Program (EAHP) which aims to identify and overcome barriers to healthcare access for San Francisco's HIV-positive community. In our first year, EAHP attorneys and advocates served over 250 clients, completed over a dozen outreach and provider training events for community partners, and of all closed cases, over 95% of our clients obtained, preserved, or increased healthcare access. Take a look at the report and let us know what you think.

Coming up on October 8 is our annual gala, Windows of Opportunity. Tickets are now on sale! I hope you will join us for an evening of community and celebration.

From all of us at Positive Resource Center, thank you for your continued support!

Brett Andrews
Executive Director

Equal Access to Healthcare Program

Positive Resource Center has long been a vital resource for people living with HIV in San Francisco. With the launch of our Equal Access to Healthcare Program (EAHP) last year, we started moving in a new direction of client advocacy and community outreach and educational training. EAHP's team of healthcare experts uses a holistic approach to advocacy that responds to the various difficulties HIV positive individuals face.

Positive Resource Center's EAHP aims to identify and overcome barriers to healthcare access for San Francisco's HIV-positive community. All HIV-positive San Francisco residents are eligible for our services, which are completely free of cost. We strive to provide culturally appropriate services to our clients. Our team includes attorneys and advocates fluent in Spanish and Mandarin.

Upon completion of the program's first year, we invite you to view EAHP's inaugural annual report.

Bare Chest Calendar

Congratulations to the new 2016 Bare Chest Calendar men! Following a rigorous semi-final competition from February to April earlier this year, 13 men were chosen to represent the 32nd annual calendar to raise vital funds that support the missions of its beneficiaries, Positive Resource Center and AIDS Emergency Fund. So far they have raised over \$71,000.

To help our boys further their cause, you can order your [2016 Bare Chest Calendar online here.](#)
