Dear Friend,

As we begin the busy summer season for non-profit fundraising events and galas, it becomes easy for the focus to shift away from the important work done by the vital programs that are at the heart of these events and skew more towards the mad dash of soliciting sponsors and event patrons and recruiting volunteers. Today, I would like to recognize the exemplary work done by both our Employment Services and Benefits Counseling Programs for not only reaching, but exceeding their many contractual goals so far this year, months before their deadlines. All of our great work is made possible by you, and our generous funders.

From all of us at Positive Resource Center, thank you for your continued support!

Acting Executive Director
