Dear Friend,

We are excited to share Positive Resource Center's 2015 annual report with you. As always, we remain committed in making certain that each one of our clients has access to the financial resources, healthcare coverage and vocational training they need through disability benefits and/or employment. I am also pleased to report that we ended 2015 in a strong financial position, just as we've done in the past five years!

On behalf from all of us at Positive Resource Center, thank you for your continued support!
