

HOW TO ENROLL IN A COVERED CA HEALTH PLAN

OPEN ENROLLMENT is from Nov.1, 2017 to Jan. 31, 2018

Gather Information

You'll need ID, SSN or proof of lawful presence and income information.

2

hmmm....

Consider Healthcare Needs

Do you want to stay with your current doctor or find a new one?
What are your medications?
Do you need any special services?

Explore Insurance Options

Visit **coveredca.com** or call **1-800-300-1506**.
Provide income, household size, and coverage needs to see plan choices.
Compare premium costs, co-pays, and out of pocket maximums.
Check if your doctor is within network.

4

Apply and Pay Premium

Online: apply.coveredca.com

In Person: Find an enrollment worker at tinyurl.com/SFEnrollmentWorkers

5

HIV+ SF Resident?

Call PRC at **415-777-0333** for more information.

HOW TO ACCESS HIV SERVICES IN SAN FRANCISCO

1

Find a Doctor

Find an HIV doctor at [Tiny.cc/HIVCareOptionsInSF](https://tiny.cc/HIVCareOptionsInSF).
Talk with friends and family for a referral.

2

Check Insurance

Check to see if the doctor is covered by your insurance and within your network.
Look for payment programs to offset treatment costs (ADAP/OAHIPP).

3

Make an Appointment and Mark Your Calendar

4

Talk to Your Doctor

Bring a list of questions.
Discuss negative reactions to past medications.
Develop a treatment plan.

5

Keep Track of Medications

Set reminders to take medications.
Tell your doctor about any medication side effects.

6

Follow Up

Keep in touch with your doctor.
Get viral load checks one, three, and six months after beginning treatment.

7

Get More Information
